Musongo wa COVID-19 unapu uka?

COVID-19 musongo vanakukokanga kututhutu vavavulu vavahya vavuluka ngwavo coronavirus. Vasona va 'CO' vemanyina kupwa corona, vasona va 'VI' vemanyina tuthutu (virus), kaha 'D' shina musongo. Tete, musongo khana vauvulukilenga ngwavo '2019 novel coronavirus' chipwe '2019-nCoV.' Tuthutu vamusongo wa COVID-19 vanapu tuthutu vavahya vanapanjika kuthanga yoyimwe namusongo waunene wamuthulo vavuluka ngwavo Severe Acute Respiratory Syndrome (SARS) hamwe namuyachi wawenyembo wakakoho naliphwema vene.

Vinjikizo vyamusongo wa COVID-19 vinapu vika?

Hakachi kavinjikizo vyamusongo khana hanahase kupwa chishika chachinene, kukohola nakuhwilila. Nge unahete halwola lwakuhyana, musongo khana unahase kukoka musongo wakahachi chipwe ukalu wakuhwima. Musongo khana unahase kulyana, oloze kachavula chikumako. Vinjikizo khana vinalifwane naliphwema (influenza) chipwe shiki eyi vene yawenyembo, eyi inakuvulanga chikuma kuzomboka musongo wa COVID-19. Echi chikiko chuma nachizangiliwa kupima mangana vawane nge muthu ali namusongo wa COVID-19.

Musongo wa COVID-19 unakutandanga ngachili?

Tuthutu khana vanakuvatambwilanga kuhichila mukulikunda kunda namasoto soto anaku fumanga kuvi kohwe la namaphwelumbwa amuthu uze ali nawo (anakufumanga hakukohola chipwe hakuphemba). Vathu nawa vanahase kuutambula hakukwata havyuma vize vinengilila natuthutu khana kutwala muze hikulikwata kumeso avo(chinjikizo, meso, muzulu, kanwa). Tuthutu vakakukoka

musongo wa COVID-19 vanahase kutwama nakuyoyela helu lyavyuma hajiola jajivulu, oloze kufwafumwinaho navitumbo chinahase kuvajiha.

Iya ali muulyanyi chikuma?

Tunakulinangula vyavivulu hajila musongo wa COVID-19 unakukwachila vathu hakumbi nge hakumbi. Tushinakaji, na vathu vaze vali namisongo yayikal, yakufwana nge musongo wa shuka (diabetes) namusongo wamuchima, vanakusoloka kupwa naulyanyi waunene wakupwa navinjikizo vyavinene vyamusongo khana. Hakuwana ou katuthutu napu wamuhyia tuchili nakulinangula hajijila musongo khana unakukwachilamo vanyike. Tunejiva ngwetyu chachashi kuvathu vakhala seteko kukwachiwa nakathutu khana, oloze halwola luno kunapu kaha unjiho waundende wavanyike vaze vanakukwachiwa namusongo wa COVID-19. Ou kathutu napu wamuhyia shikaho twatela kulinangula mwamunene mujila unakukwachila nakuvanyike nawa. Ou kathutu nahase kulyana halwola lumwe lwakuhona kuvula, chikumanyi mukachi katushinakaji vaze vali namisongo ikwavo. Mujila muka navahashila kunyekumunako chipwe kutepulula kutanda chamusongo wa COVID-19?

Nge omu chapwa namisongo ikwavo ize inakukwatanga kuvilyo vyakuhwimina yakufwana nge shiki chipwe liphwema, jindondelo vanaseteka vakutala hakulikangula chavathu jinapu jajilemu mangana vanyekumuneko kutanda chamusongo khana. Jindondelo vanaseteka vakutala hakulikangula chavathu hali
